## Helpful hints when attending the Bridal Show

- Pre-register at [wmbridalshow.com](http://wmbridalshow.com). You can bypass long lines at registration and find online coupons for the show. Vendors use pre-registrations as a lead list for offering specials after the show – another way to save money on your wedding.
- Set up an e-mail address specifically for the wedding. Using this e-mail address at the show prevents spam following the wedding.
- Pick up a bag on the way in to collect information and coupons. Take time to speak with vendors and ask questions. Write responses and impressions on the vendor's brochure.
- Make a day of it. Wear comfortable shoes, watch the fashion show and have lunch.
- Bring parents, bridesmaids and the groom, all of whom will appreciate the opportunity to add their input. Bring along your checkbook or credit card as many vendors offer day-of-the-show specials.
- Have fun!
